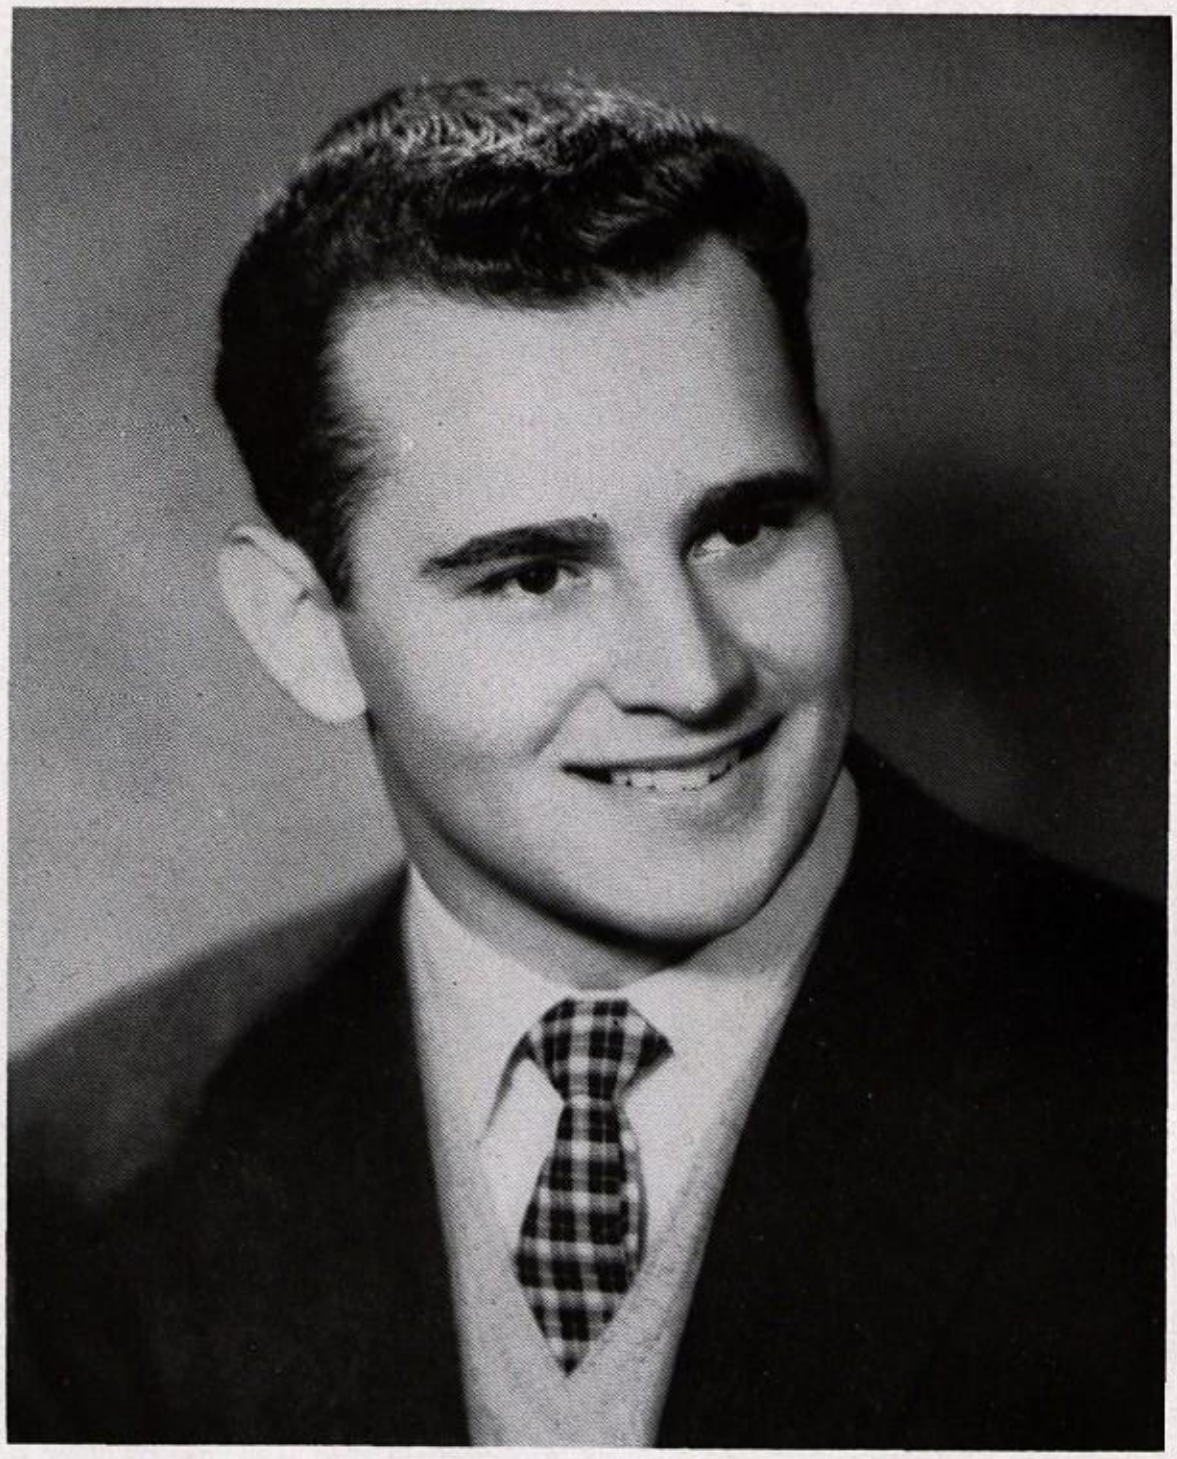
HYDE PARK HIGH SCHOOL

CHICAGO, ILLINOIS



AITCHPE KING

By scoring high in everything from rapping the gavel for student council to breaking through the line for a touchdown for the blue and white, you have shown your schoolmates your versatility, leadership and good sportsmanship. Your active participation in all school activities and your eager concern and interest in your classmates has earned the friendship and respect of student throughout the school, so it's no wonder that they have elected you Morrie Much, Aitchpe King of Hyde Park High School for 1955.

AITCHPE QUEEN

Who's the Veep of the Senior Class? What girl is the strongest supporter of Hyde Park's athletic teams? Who has the harmony for all of a cappella songs down pat? It's not three kids, its Hyde Park's own "triple threat", Karen Hartman. Karen has sparkled in loads of activities here. She's also known for her strong alto in a cappella's senior quartet. Because of your active interest and participation in all school functions and activities and your friendly personality, your schoolmates have chosen you, Karen Hartman, queen of the 1955 Aitchpe.

FALL— A friendly session in the park while comparing vacation experiences . . . the Autumn winds setting the dry leaves a-whirling about the trees as you watch the team practicing for the Englewood game . . . out of school for the Thanksgiving weekend, thinking, as you walk homeward through the park, of the many things for which you are thankful.

WINTER—A white Christmas, transforming the park into a winter wonderland . . . snow crunching under your boots and delicate flakes blowing in your face, making you feel glad just to be alive . . . a new semester, bringing new students to enjoy the pleasures of the park . . . the beginning of the park's slow awakening . . . one or two warm days giving you a chance to take your lunch and eat under the trees.

SPRING— Fresh, young vegetation out in all its glory . . . leaf collectors taking advantage of it for biology collections . . . the cry, "Play Ball", echoing on the baseball diamond . . . watching flying cleats sail on the turf to stretch a single . . . sitting in the park listening to the shouts of the peanut vendor and the "Good Humor" man . . . art students passing by on their way out to the lagoon to sketch.

JUNE— The gayest, and yet, saddest time of the year in the park . . . Seniors, graduating and going away to college or out on a job, away from the tree-lined paths of Jackson Park. But for all of us, Jackson Park is a very special place, a place that will always bring memories of our years at Hyde Park.

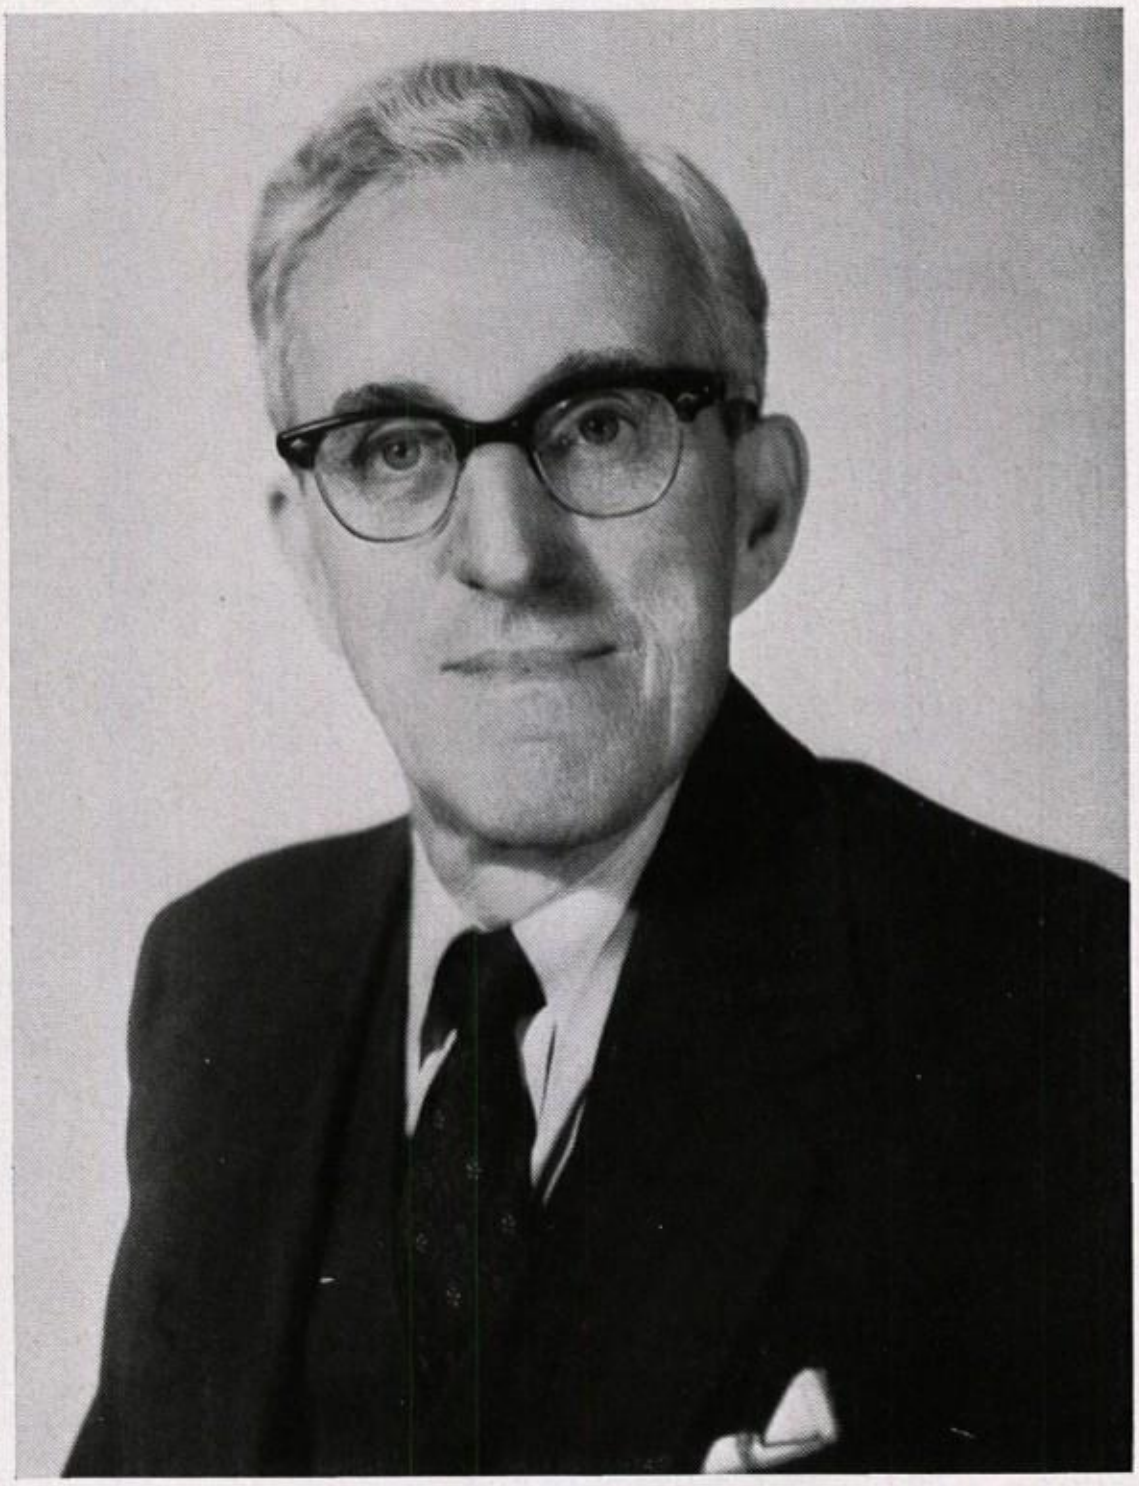
DEDICATION



MR. SIDNEY CASNER

The purpose of teaching is to induce students to think for themselves. This is the teaching philosophy of one of Hyde Park's finest teachers. A textbook may be a pretty dull thing, but if its practical application to modern living is brought out, it becomes meaningful and interesting. For instance, commercial law is useful to anyone, whether he be a lawyer, business man, banker, tradesman, or doctor. Because of his devotion to teaching, his long service at Hyde Park, and his real interest in people, we, the students of Hyde Park High School, are dedicating the 1955 "Aitchpe" to Mr. Sidney Casner.

HISTORY I

Dr. Arthur P. O'Mara;
Miss Ann R. Buckley

Dear Graduates:

June, 1955 ushers another group of Hyde Park students into the long list of alumni who have graduated from Hyde Park High School.

It was a privilege for you to have had the opportunity to attend Hyde Park High School and you who are graduating this June have made much of this opportunity. You have brought honor upon yourself, your parents and your school. You are being accepted in universities and colleges throughout the United States and if past performances of our students may be taken as an indicator, you will be as successful in college as you were in high school.

We, the faculty, are sorry to see you leave us, but the cycle starts anew at Hyde Park and in your new surroundings as well. Wherever you go and whatever you do, remember Hyde Park High School, its students, its faculty and its glorious name.

Mr. Ralph L. Small

ASSISTANT PRINCIPAL

A friendly smile, a helpful attitude, and an understanding approach to the problems of every student from the frightened "freshie" to the smug senior—these are the characteristics of Hyde Park's assistant principal, Mr. Ralph L. Small. Prior to his coming to Hyde Park, Mr. Small taught at Lindbloom and South Shore High Schools, but it seems that he was destined to use his administrative talents. His success is best measured by the student body's respect and admiration.

Miss Frieda Brooks

Did you see some long faces in office practice classes early last semester? Their former teacher, Miss Frieda Brooks, was moved to the post of acting assistant principal during the leave of absence of Mr. Small. In addition to the duties she had as assistant principal, Miss Brooks was in charge of college information and scholarships. Her experience as a teacher and advisor makes her well qualified for this job.

Mrs. Miriam Kiely; Miss Helen Newell; Miss Helene Cranby.

GRADE ADVISORS

Top Row: Miss Ruth McGurk, Miss Theresa Lynch, Mr. Elmer T. Deahl, Mrs. Sara Priddy, Mrs. Dorothy Gerwin.

Bottom Row: Miss Majel Kurrie, Mrs. Grace Edgar, Miss Margaret E. Johnson, Miss Lorraine O'Brien, Miss Helen Kriewitz.

GRADE ADVISORS

Behind the doors of Room 110 reside seven of the most respected teachers in Hyde Park, the Grade Advisors. Although more widely known for dispensing penalties and unwanted furloughs, their real purpose is to advise pupils in times of crisis and aid them with future plans. "Go see your Grade Advisor!"—if you need some good professional advice concerning your education.

ATTENDANCE OFFICE

For whom the Bell Tolls. This is the sign that should appear on the door of Room 117. Through this door file streams of panting, sweat-streaked faces of those who didn't quite make it. After signing forms and answering enough questions for a Senatorial Investigation, the violator takes his tardy card and shamefully sneaks into his class. The diligent workers in this busy office, under the able guidance of Miss Solfermoser, deserve a great deal of credit.

ATTENDANCE OFFICE

Mrs. Ruth Donahue, Mrs. Murphy, Civil Service Truant Officer, Miss T. Fay Solfermoser, Mr. Clayton L. Zehner.

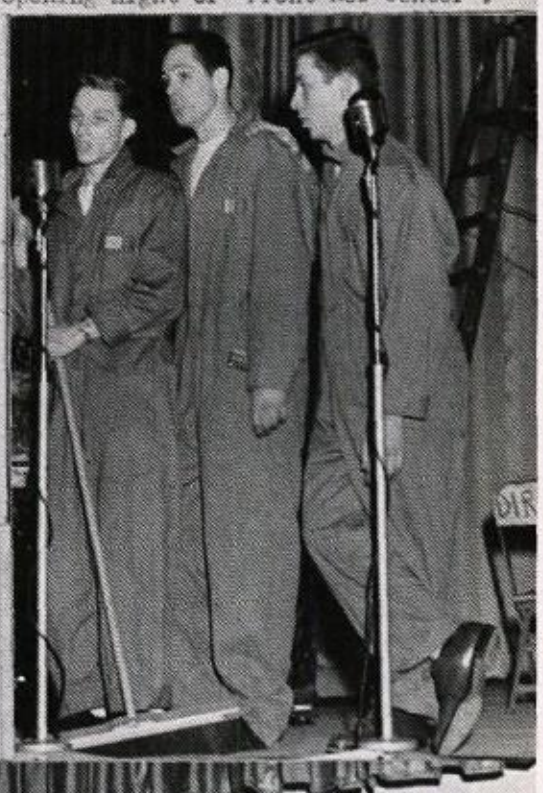
VARIETY

We were entertained at "Front Row Center" when the Cool Cats from Cairo did the Charleston--Egyptian style.

A Hyde Park queen, Delores Marts, in all her glory on opening night of "Front Row Center".

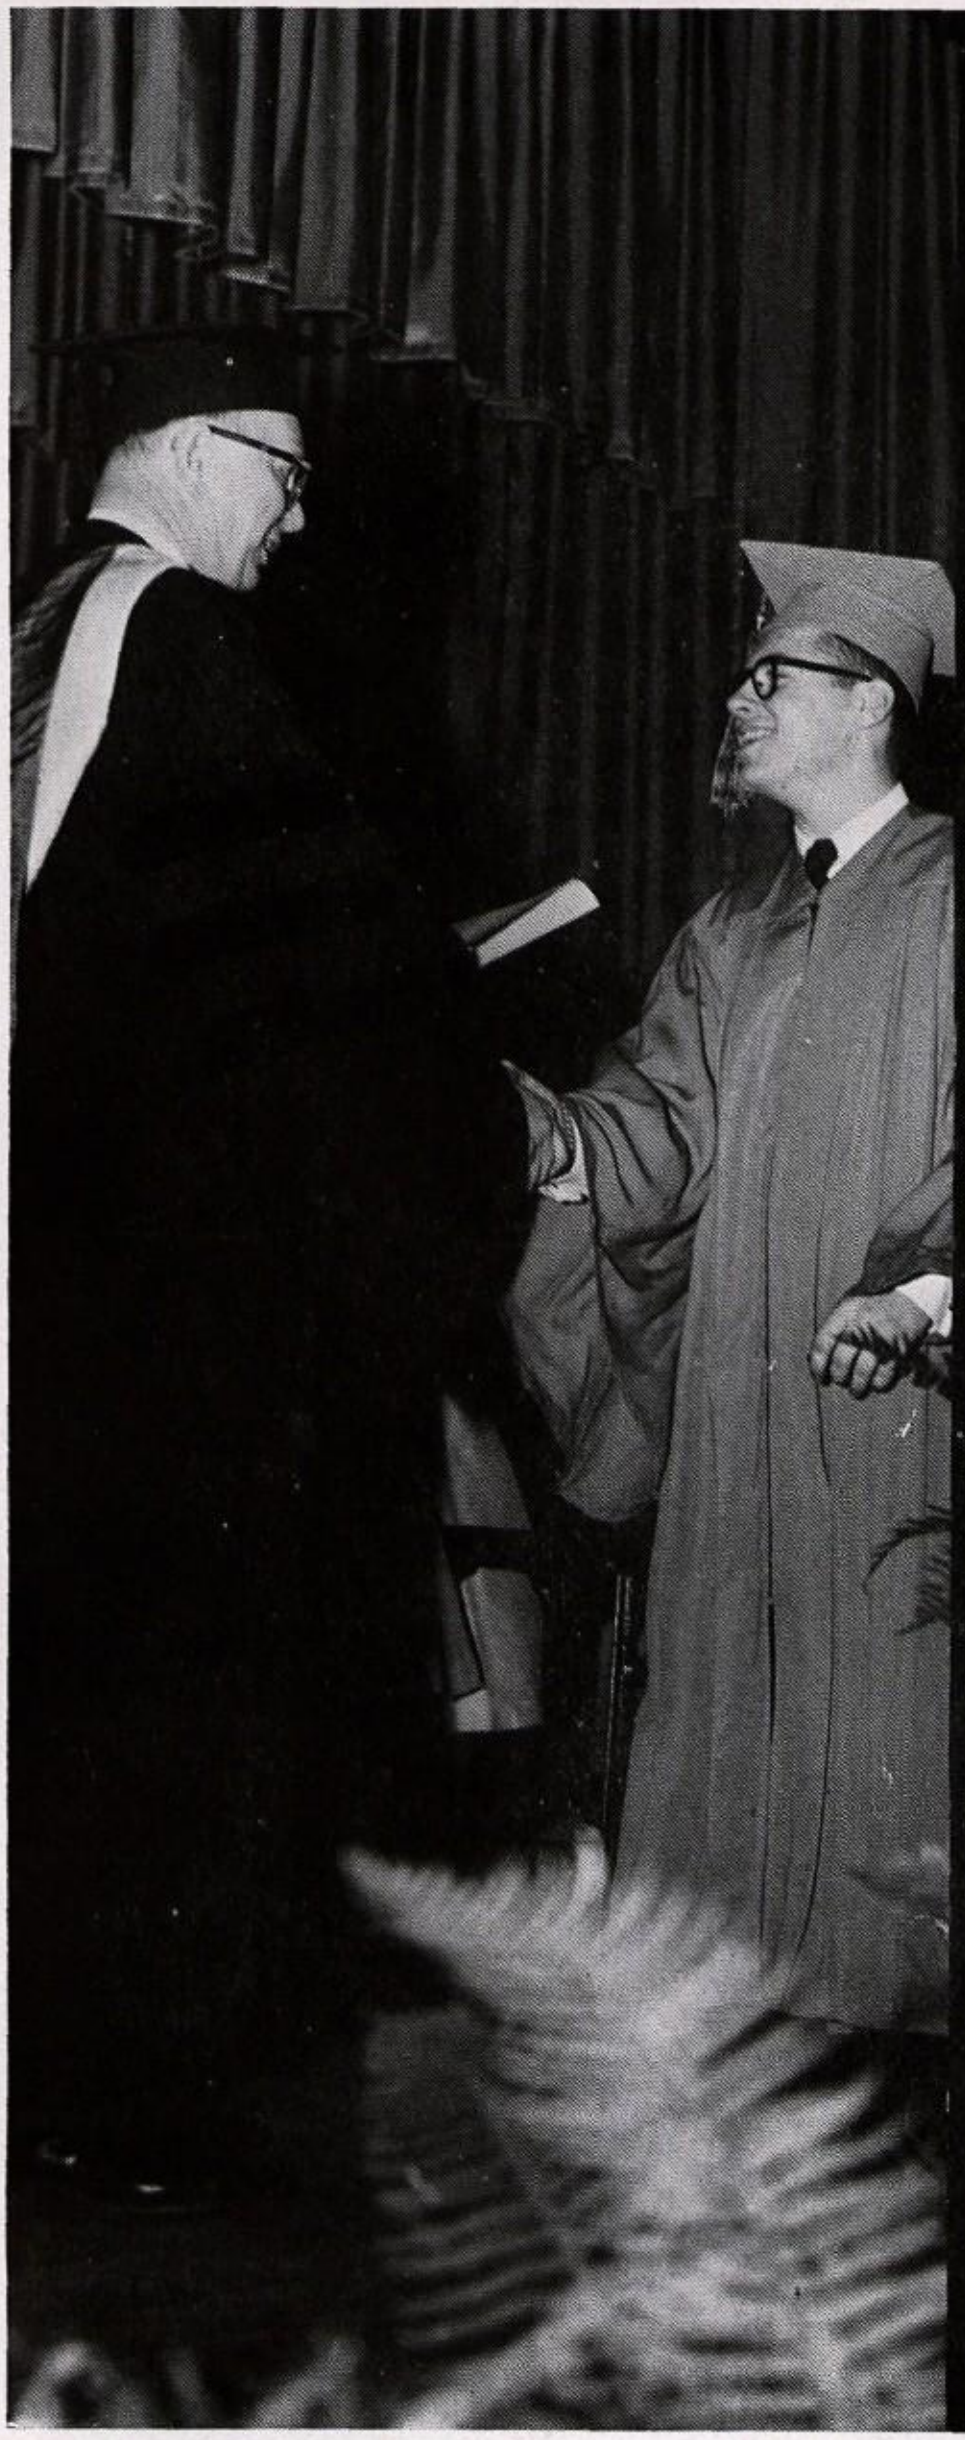
Of course, a few Omegas consisting of J. Fishman, M. Phillips, and B. Manaster got into the act singing, "I'm a Lonesome Polecat".



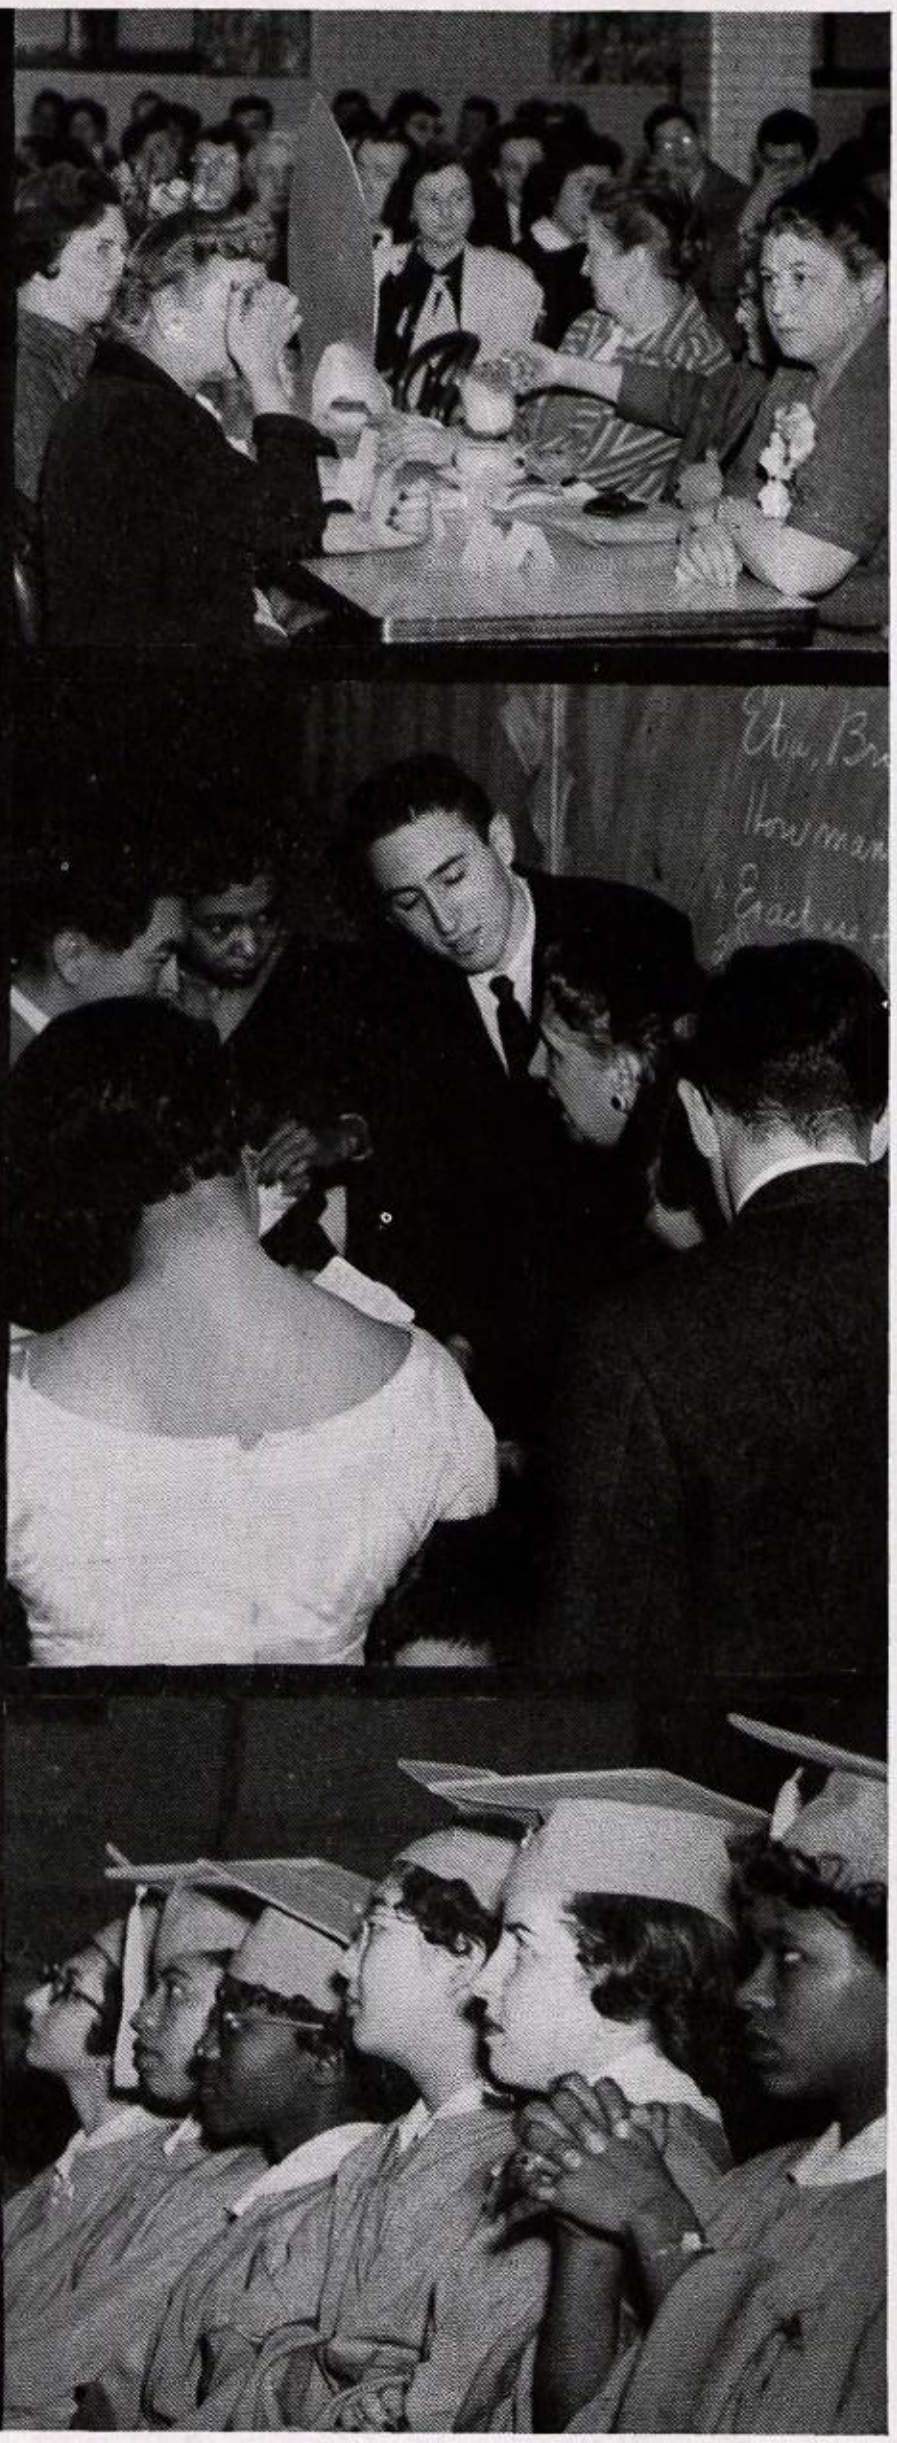
We were brought back to the "good old days" when Bob and Helene, Butch and Gloria, and Barry and Karen serenaded us and did a soft shoe dance to "Once in Love With Amy".

This is a sneak shot of H.P.'s chorus line during a hearty practice the day before the show.

All the feet in the auditorium were tapping when these Calypso Cuties got up and did a rhythmical dance.



Congratulations!



Pass the cream, please!

JUNIOR & SENIOR MATH HONOR

If 2 black, 2 red, and 2 grey horses are in alphabetical post positions (according to the last letter in their names) and 3 jockeys are under 5 ft. tall, what color are the saddles? This is a typical problem that the neophyte genii (baby "brains") pore over in Junior Math Honor. If they survive there, Mr. Soglin, the sponsor, passes them on to Mrs. Shull, the sponsor of Senior Math Honor, who takes over their training for competition. Hyde Park has taken first place in the Wilson Math Contest for the last 13 years and came in eighth in the National Math Contest in '54. Those who have made it through higher Math classes at Hyde Park usually are excused from such classes in college.

SIGMA EPSILON

Here it comes! It's moving slowly but it's getting here. Just a little further . . . Ah! He's got it! He opens it slowly . . . his hands are shaking . . . suddenly he jumps with joy. He made Sigma! At last he has achieved the goal, for which he has worked for so many semesters. He can now participate in the Sigma parties, meetings, committees and other activities. He has the privilege of working under Sigma's capable sponsor, Miss Bronski. Isn't he a lucky guy!

PLAY PRODUCTION

"Is this a dagger which I see before me, its handle toward my hand?" Lawrence Olivier, Maurice Evans, and Ethel Barrymore haven't got a thing on the Magnificent Actors Guild of Room 129, better known as Little Theatre. They present almost everything from crazy comedy capers to dark, direful dramas. Miss Paine feeds the scripts to her hungry Hollywood hopefuls, and the results justify her noble efforts. This year's plays include "Submerged" and "A Connecticut Yankee in King Arthur's Court".

CREATIVE WRITING

Shakespeare! Shaw! Spencer! Spillane! No, this is not a class list from an English class. Some day in the near future, writers from the Creative Writing Class may be in the annals of the world's greatest authors. The many awards and prizes won by members of this club have indicated their genius. Some day you may pick up a magazine and see a story that says, "Written by a member of Hyde Park High's Creative Writing Class". Under the careful guidance of Mrs. Cullinan, Creative Writing publishes "From the Inkwell", our literary magazine.

WINNER OF THE NATIONAL ESSAY CONTEST:

STUDENT GOVERNMENT—by LEON FORREST

One of the great privileges in attending an American School is having Student Government.

We, teen-agers, who often are heard asserting, "I am grown up," can prove our maturity by co-operating with the Student Council.

You might ask how can I co-operate with our Student Council if I am not a representative? Here are some points to think about.

Do I vote for an efficient, clear thinking candidate? Do I listen with an attentive ear to the representative's report? Do I make constructive suggestions for school improvement? Do I follow the rules Student Council makes? If you can say yes to each one of these points then you are really co-operating with the Student program. But can you?

Let's be wide awake teens, for tomorrow the job is ours.

Gee . . . I wish I had one!
Go, go, Hasan! !

And this one is . . .
Such happy people!
. . . and more books!

STUDENT COUNCIL

All those in favor? All those opposed? Motion carried! No, this is not the Illinois State Legislature; this is a typical scene at one of Hyde Park's student council meetings. The council, under the excellent supervision of Mr. Deahl, has done much to create better relations between students and teachers. One event that the student council has initiated is the annual faculty volley-ball game. The game is thoroughly enjoyed by both participants and spectators, due to the efforts of the Student Council.

AITCHPE

Through room 328, rings the thundering voice of our master, Mrs. Hoegh, as her lashing whip descends on another of the poor, abused stalwarts that compose our Aitchpe staff.

"Carry him out and bring me some new, innocent, unsuspecting recruits!" is the next order. Ours is not to reason why; just to obey; and somehow—to the surprise of us all, the Annual gets assembled.

HYDEPARKER

It's 6:00. The shades of night are falling. The walls of Hyde Park are recovering from the barrage of sounds which reverberated throughout the day. Suddenly the tranquil silence is broken. Footsteps pound through the corridors and up toward 211, where we see a few hard working journalists struggling to put the Hydeparker "to bed". The footsteps reach the door, and a tired-looking reporter stumbles in, but on his face is a look of happiness. He got his story in time for the deadline!

Printing and selling a newspaper are big jobs, but the Editorial staff under Mrs. Drell and the circulation staff under Mr. Sloan master them expertly.

ATTENDANCE OFFICE

"For Whom the Bell Tolls". This is the sign that should appear on the door of Room 117. Through this door file streams of panting, sweat-streaked faces of those who didn't quite make it. After signing forms and answering enough questions for a senatorial investigation, the violator takes his tardy card and shamefully sneaks to his class. The diligent workers in this busy office, under the able guidance of Miss Solfermoser, deserve a great deal of credit.

ADJUSTMENT OFFICE CLERKS

What did I get on my 3B tests? For what profession am I best suited when I graduate? These are a few questions that Miss Kriewitz and her hard working staff answer readily. "What if I'm in the middle of a test and my pencil breaks?" asks a worried Junior. The answer to this is quite simple, as there will be adjustment office helpers standing by with a large quantity of pencils and erasers. This is just a sample of the diligence of these office helpers.

BOX OFFICE

If one needed a cardboard carton with the dimensions 4 x 7 x 12, he would naturally go to the Box Office for it. This is the greatest misrepresentation in our fair school. At the Box Office, one might purchase locks or tickets to various events; but alas! No boxes! The perpetrators of this hoax are ably directed by Mr. Howard Sloan, and they are really careful, efficient, and honest workers.

ENGLISH SERVICE

Can you tell a complex sentence from a compound one? Can you write a legible paragraph? If you can answer "yes", you can be an English tutor and join English Service.

Scenery artists are also members of this group. Neither Rembrandt nor Grandma Moses has anything on our Scenery Artists, who fashion our stage into a replica of anything under the sun. The stage hands who operate the props are also members of this highly versatile organization, which is sponsored by Miss Paine.

Who prints our daily bulletin that keeps all Hydeparkers informed?

Who graciously greets the visitors to the Halls of Hyde Park?

Who is under the excellent supervision of Miss Buckley?

There is only one possible answer: the efficient, hard-working North Office Helpers.

SOUTH OFFICE

"O'Brien, Olmsted, Opitz—where's O'Mara? No, I'm not about to tear up a telephone book; I'm just trying to find Dr. O'Mara's box in the South Office. Can you tell me when they changed the alphabet?"

LIBRARY AIDES

Although surrounded by some of the weightiest words ever written, the Library Aides are probably the quietest workers in the school. It is their endless task to keep these literary masterpieces in their proper order and to properly record their dispensation and receipt. If knowledge could be gained by osmosis, this would surely be H. P.'s most intelligent group.

ELECTION COMMISSION

The halls of Hyde Park are tense with excitement. Outside Room 237, a small crowd gathers expectantly. Through the locked doors, we can see the members of the Election Commission and their sponsor, Mrs. Robbins, working feverishly counting and recounting the ballots to determine the election winners. This is only one of their many duties.

It is also their responsibility to register the school's voters, approve and hang posters.

BOOK ROOM

Mr. Casner would like 29 and ¾ civics books. He has a few pages left from one of last semester's books." Although this is a rather unusual request, it undoubtedly would be filled easily by the book room workers. The textbook supply of the entire school is kept and recorded there. Mrs. Coade and Mrs. Liska head this responsible staff, supervise distribution, and give each new book a number.

SENIOR SPONSORS

It's the first day of school. Since several teachers are busy registering new Hyde Park students, the Senior Sponsors are busy performing a very helpful task. They are taking the classes of these teachers. This experience is very good, especially for those who are planning to become teachers. With the guidance of division teachers, Senior Sponsors aid freshies during their period of orientation and work in the various school offices as receptionists and clerks. Under the direction of Miss Johnson, they form a vital cog in our school.

STAGE FORCE

Lights! Camera! Action! "What happened to the lights in Loomis Hall?" The stage force, under the able direction of Mr. Hendy, is trying to get the lights to shine. One thing for certain is that the boys of the stage force surely shine. During an assembly they compete with many problems, such as, mikes going dead, or sand bags falling. When all is said and done, you can be sure any event is a success, thanks to The Stage Force.

P.T.A.

"When can I meet Johnny's teachers?" asks a worried parent. The best time to do this is at Open House sponsored by the P.T.A.; here parents and teachers can get together and discuss any problems that may arise. Every year a lucky 4A receives a scholarship to the school of his choice, thanks to the efforts of the P.T.A. We HydeParkers can be very thankful that we have such a wonderful P.T.A. It even helps serve us food in the lunchroom!

Mr. Ramsfield

SENIOR A CAPPELLA OFFICERS

Hartman, K., G.B.M.; Legate, J., Sec.; Green, J., Pres.; Bloom, T., Veep; Jones C., B.B.M.

A CAPPELLA

You're sitting in Loomis Hall for an assembly when suddenly music fills the air. Where did it come from? No, it's not under that chair, but take a gander at the balcony. There you'll see Mr. Ramsfield directing Jr. and Sr. A Cappella in a stirring rendition of The Cherubim Song. As you can imagine, it takes a lot of practice to produce music of this quality and tone. This doesn't daunt these vibrant vocalists, for they practice daily to prepare their pipes for any occasion.

RED CROSS REPRESENTATIVES

Call the Cops! Call the Army! Call the Red Cross! The Red Cross is right here on hand, since Hyde Park has organized a new Red Cross council. Representatives from each division form the membership. Every other Thursday afternoon they meet to discuss the work and problems of this great organization and to learn how they can help in its services.

GIRLS CHORUS

Are you a girl? Is your voice comparable to that of a silver-throated robin? If so, you may join Girls' Chorus. As one of these winsome warblers, you'll sing at the Christmas Assembly, Spring Music Festival and other occasions. Miss Mathews, the sponsor, will help you attain the most dulcet of tones.

BOYS' CHORUS OFFICERS

Ruffins, E.; Lewis, D.; Scott, M.; Mr. Ramsfield, Clency, C.; Steele, J.

BOYS' CHORUS

"Give me some men who are stout hearted men and then I'll give you ten thousand more"—If you've been to an assembly this year, you've probably heard this noble refrain. Maybe you looked up and exclaimed, "say, they're pretty good!" They didn't get their reputation by accident, for they practice daily under the direction of Mr. Ramsfield.

CONCERT BAND

Take a heap of brasses, add woodwinds, mixing constantly and carefully fold in a dash of percussion. Blend skill and melodious harmony, and bake in Room 416 for two periods daily. Slice generously and serve at all Music Festivals, Graduations and other events. This is the recipe for our fine Concert Band, led by Mr. Dubyk.

DANCE BAND

"Shall we dance?" "Sure, if Hyde Park's Dance Band is playing the music!" The Dance Band not only plays for dances, but also "livens up" other activities such as "Senior Varities" and "Freshie Frolics". The members work hard to maintain their high standard and provide good music for Hyde Parkers.

G. A. A.

"Rah, rah, rah,—Ya-a-ay G.A.A." Why are these voices so ardently shouting praises to the G.A.A.? Because under the direction of these able workers, the G.A.A. is responsible for the female end of all athletic activity at Hyde Park. All swim meets, basketball, baseball, volleyball, and other activities such as tennis, badminton, cheerleaders, and Pep Club, are conducted and directed by the G.A.A. and its workers. All G.A.A. members may take part.

CHEERLEADERS

A brisk Fall day with ten or twelve inches of snow on the ground and more on the way, a pleasant breeze of 50 m.p.h. and perhaps a few hailstones thrown in—our cheerleaders are just as active in these conditions as they are in a warm gym. Although, at some of the Tribe's games there may be more cheerleaders than spectators, they still give all they've got to "Locomotive", "Boom Chica Boom" and other yells. Hats on (since their heads get cold) to these energetic girls who contribute so much to the school spirit of Hyde Park High.

DELEGATES

Nominations are submitted; elections are held. The newly elected G.A.A. Delegates take their places as the representatives of their respective gym classes. The jobs done by a girl holding this position include attending a meeting every week and reporting the matters discussed at the meeting. The delegates also have the job of counting and collecting quarters of the prospective members.

NEPTUNE'S DAUGHTERS

Squish, squish, squish, squish . . . splash! Another Neptune's Daughters show, under the sponsorship of Mrs. Maurer is getting under way. Much work and sincere effort go into its production. This year they put on two terrific shows, one for freshmen and sophomores, the other for juniors and seniors.

LEADERS

See that girl over there in blue shorts and white blouse ducking that basketball? She is a leader. She acts as referee in team games and assists teachers in the office. For her efforts she receives 50 G.A.A. points toward a letter. She also belongs to a gym class of leaders, which is sponsored by Miss Williams.

PEP CLUB

Girls! Would you like to be a member of a club where unlimited opportunities for fun and and frolic are to be had? The only requirements are that one is an energetic female and a member of G.A.A. This is the Pep Club, of course.

The Pep Club has about one-hundred fifty versatile girls who love to cheer Hyde Park's teams on to victory, and hope to become future cheerleaders. With Mrs. Daniels as sponsor, these girls learn the do's and dont's of artistic cheerleading.

Top Row: Dempsey, B.; Hall, V.; Gordon, S.; Edmonds, L.; Gordon, A.; Northern, C.; Lablaiks, L.; Henderson, S.; Jones, D.; Johnson, M.; Shannon, B.; Lewis, J.; Grafton, M.; Skyles, M.; Anderson, K.

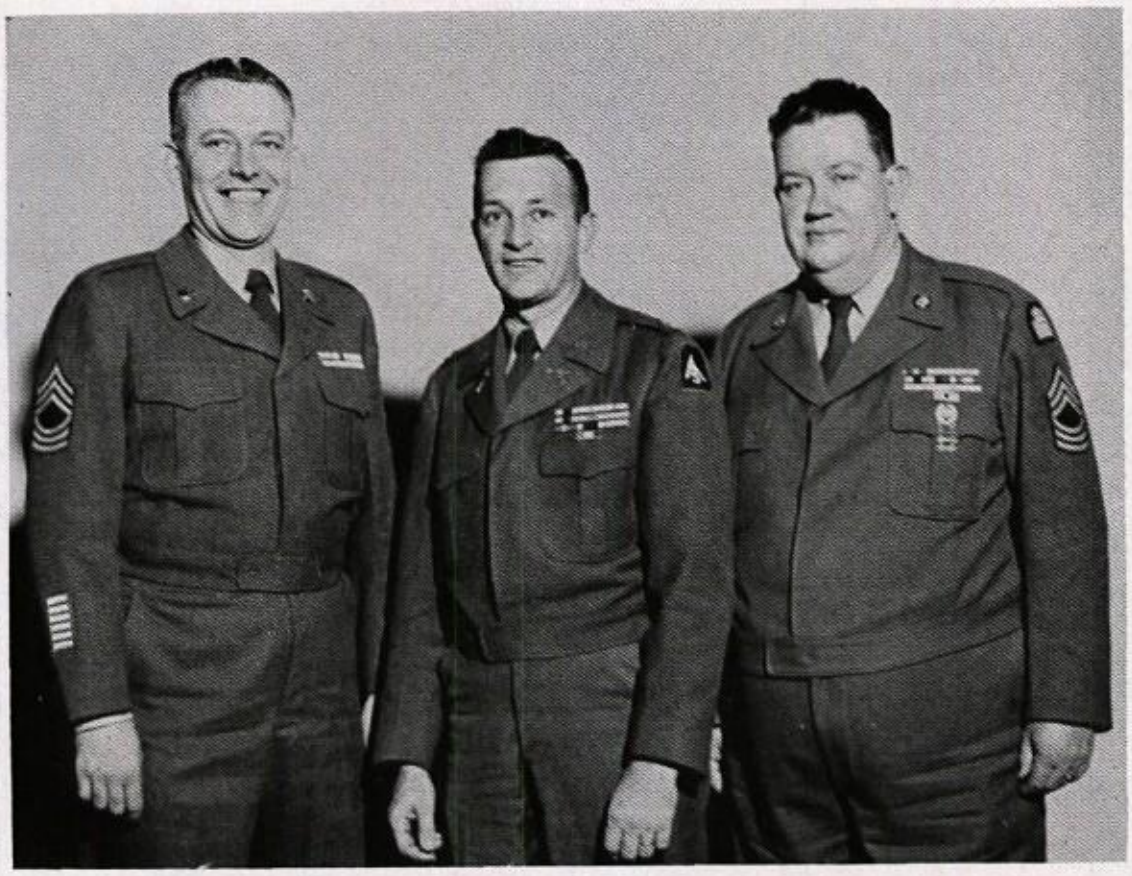
OUR MILITARY ADVISORS



MASTER SGT. STANLEY J. GUMIENSKI
Ass't Military Instructor.

CAPT. FRED J. KESSLER
Ass't Professor of Military Science and Tactics.

MASTER SGT. FRED M. BAKER
Ass't Military Instructor.

The Hyde Park R.O.T.C. welcomed three fine military instructors during the past year. From Steinmetz High School we were very fortunate to get Captain Fred J. Kessler, a veteran of 14 years in the army. Master Sergeant Stanley J. Gumienski was assigned to Hyde Park from the Illinois Military District, and Master Sergeant Fred M. Barker came to us from Du Sable High. Our new instructors have had a "world" of experience, having traveled the globe from Alaska to Australia covering Japan, China, India, Burma, Philippines and Korea enroute. All are combat veterans and each of them is married. The instructors feel that the primary purpose of the R.O.T.C. is to make better citizens out of today's youth while also giving them valuable military training for the future.

Sound off! 1! 2! 3! 4! Marching by is Hyde Park's R.O.T.C. unit. Although we of Hyde Park are not at war, we are carefully guarded. The boys in Reserve Officers Training Corps, numbering some two hundred and eighty, know the correct way to lead, hold, disassemble and of course shoot a rifle, and the other duties necessary for our security. During peacetime the Reserve Officers Training Corps performs many duties, such as presenting colors at assemblies, being ushers at various school functions, and serving as guides to visitors. We owe a special vote of thanks to Captain Kessler, who directs the Reserve Officers Training Corps, and keeps the "fighting men" prepared for any emergency. The Hyde Park Reserve Officers Training Corps received many special commendations in past Cadet Day Parades. Hyde Parkers can feel that as civilians, the members of Reserve Officers Training Corps deserve one big vote of thanks; VENI MUS, VIDI MUS, VINCI MUS.

R.O.T.C. RIFLE TEAM

BULLS EYE!

The above sound is often heard coming from the rifle range at the Illinois National Guard armory where the Hyde Park R. O. T. C. rifle team practices. Not having a firing range at Hyde Park, the rifle team is forced to go to the armory for practice and to other schools to participate in matches. The only requirements for membership on the rifle team are good grades, good attitude and a sharp shooting eye. Formed of five cadets, the team fires in matches against the other Chicago Public Schools. The team uses regulation U. S. Army .22 caliber rifles and the rules for matches are the same as those in the National Rifle Matches.

Under the direction of Mr. Dubyk, the R.O.T.C. band has become one of the finest marching bands in the city. Containing approximately 51 players, the band is one of two in the Chicago Public School R.O.T.C. The cadets in the band not only accompany the battalion on all parades but also provide music at many of our assemblies. While a member of the band, a cadet is taught many of the same military subjects as a regular in the R.O.T.C. During parades and Federal Inspection, the band marches under the command of the Drum Major, Cdt. Cpl. Horace Webb. Band Commander this semester is Cadet Capt. Joseph Lorenz.

VARSITY FOOTBALL

We met Englewood in Eckersall Stadium for our first encounter, the 71st game of one of the United States' oldest traditional rivalries. This game was the best example of what all of these games mean to both teams.

The team came back from Englewood's 14 point edge at half time to score three touchdowns and an extra point to beat the Purple and White, 19-14.

A fast breaking Parker squad rode to victory the following week as the final score read 14-0.

The following week we were unable to capitalize on Farragut's fumbles and miscues as we lost 14-6.

Bowen scored three touchdowns in the first half and one in the second as they beat us 26-7. We did not score our T.D. until the last quarter.

The DuSable game was well fought through the first three quarters. DuSable scored once in the first quarter and the score stood 6-0 until the last 6 or 7 min-

utes of play. The final score read: DuSable 18, Hyde Park 0.

In our last league game, previously winless Harper scored two touchdowns in the final minutes of the last quarter to win their first league game of the season, 12-0.

Two weeks later we closed our 1954 football season with South Shore for the traditional battle for possession of the WAGON WHEEL. We matched South Shore touchdown for touchdown but lost the game, 13-12, and the WAGON WHEEL.

The unsuccessfulness of the team can well be shown by the number of touchdowns we scored as against the number the opposition scored against us. Hyde Park scored 44 points and our opposition scored 109 points.

All told, however, the season was not as unsuccessful as could possibly be. We gave DuSable, Blue League Champs for the last three years, a good battle before losing. We almost took the "Wagon Wheel" back from South Shore, and we beat Englewood, our traditional rivals, to retain possession of the shield.

Our Frosh-Soph Football team were faultless as they beat Harper, 7-6, Bowen, 47-0, Morgan Park, 32-6, and South Shore, 38-6. As the Frosh-Soph team scored 124 points, their opposition scored only 18.

On this, the banquet night, special acclaim was given to the football team and its outstanding players. Left: Our Majo Letter Awards; Our Cheerleaders; and the Minor Letter Awards. Right: Mrs. Mildred Horwitz, president of Varsity Mother and Al Herman, Supt. of Physical Education.

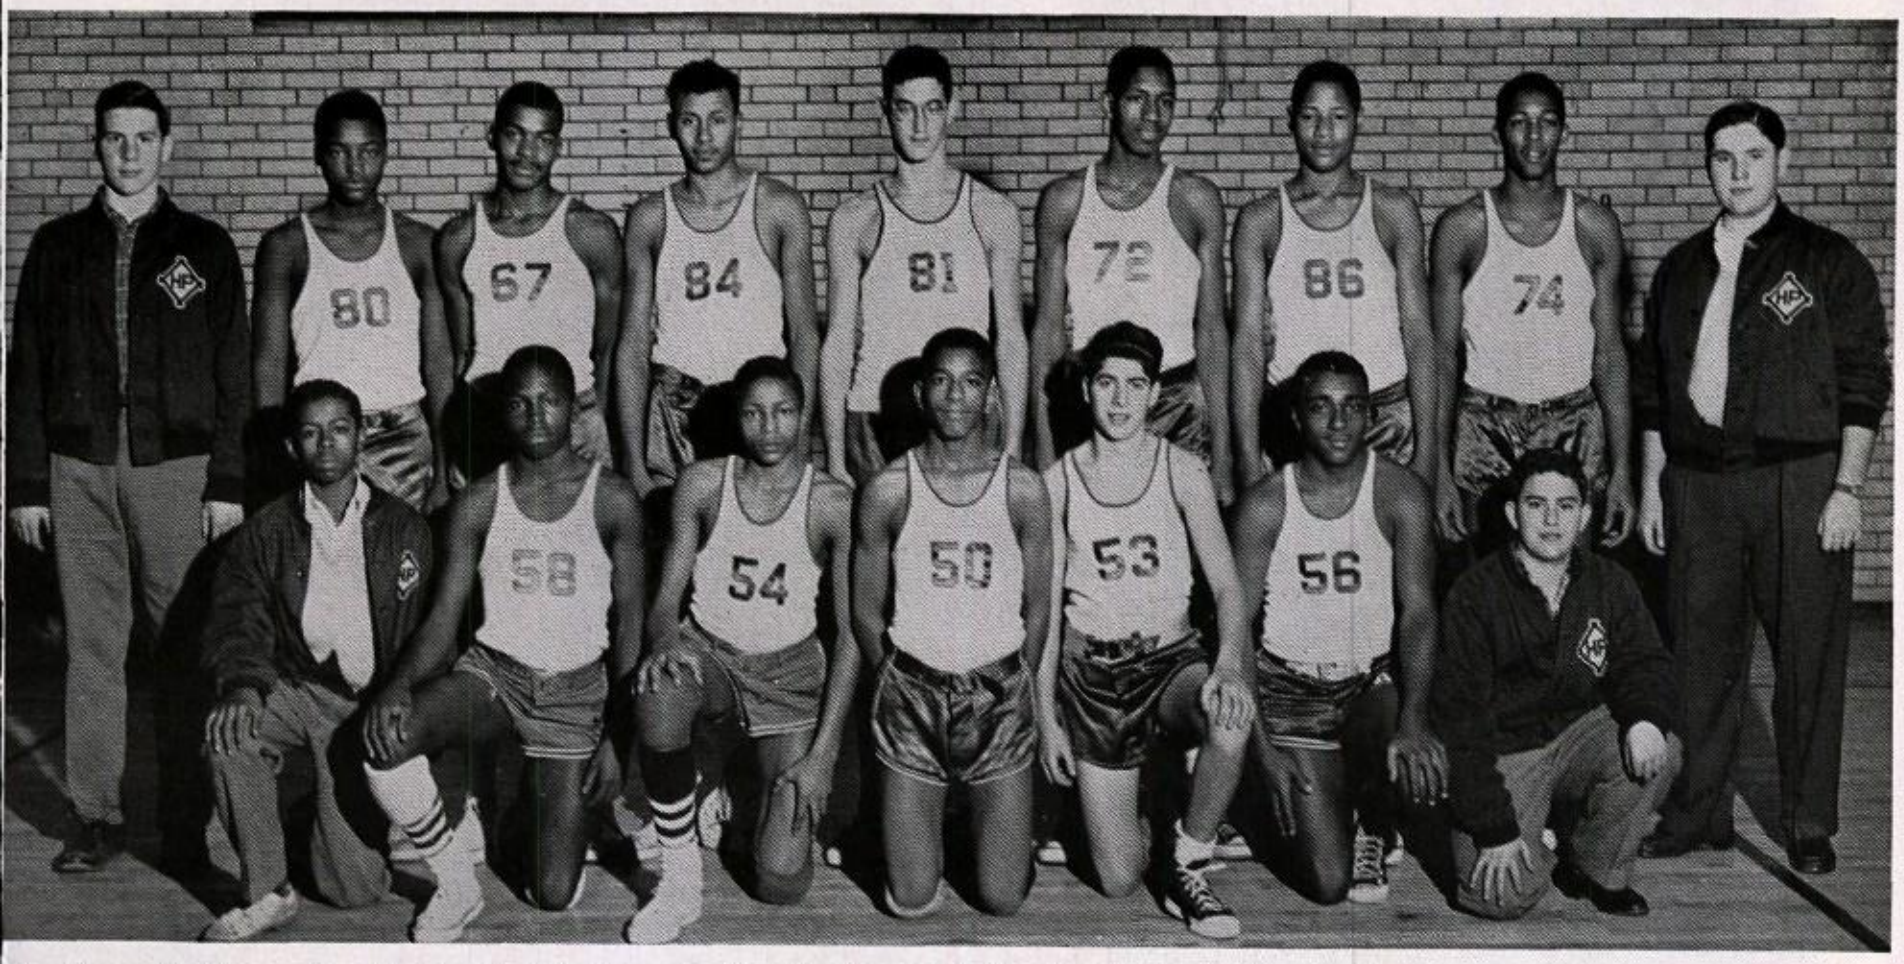
* Denotes League Playoff.

There was great pride and expectation in Hyde Park at the start of the basketball season for we had the strongest and winningest basketball team of the past 8 or 9 years. No truer words were ever said as the Blue and White rolled up 18 wins and 8 losses.

The strongest teams in our practice schedule were Farragut and Lindblom who beat us 54-46, and 73-58 respectively. Although our record for the practice season was 5 wins and 4 losses, all the losses were on rival floors.

We had a four win and no loss record in league play before being stunned by Calumet. This game again was lost on a rival floor. Then we proceeded to roll over C.V.S., Bowen, Fenger, mighty Carver, and Morgan Park before losing to Parker. Our league record was 9 wins and 2 losses as we tied for second with Calumet. Hyde Park suffered greatly in the Lindblom playoff game due to Davey Williams' ankle injury suffered in the Parker game as we lost 79-59 finishing the season with an 18-8 record as compared with the 3-18 record of last year. We suffered no losses on our home floor all season.

Led by Jim McClure, Davey Williams, Melvin Mathis, Milt Johnson, George Mustiful, Frank Greene, Mike Phillips and an exceptionally strong bench, Hyde Park is looking forward to another great year despite the loss of graduating seniors, Wally Bates, Eric Williams, Richard Lee, John Devine, Bill Farris, Jim Futterman and Jimmy Myles.



Top Row: Feldman, L.; Garth, T.; Hartley, A.; Smith, R.; Pick, J.; Clark, A.; Smith, E.; Steele, J.; Applebaum, H. **Bottom Row:** Wethers, J.; Burks, J.; Dancy, O.; Walker, J.; Schulson, M.; Allen, W.; Cohen, H.

FROSH—SOPH BASKETBALL

Before the season started no one expected Hyde Park to ever have a Frosh-Soph basketball team as good as the 1954 Championship frosh-soph team, especially the next year after. They all said the team would not have players good enough to carry the team. But no one figured that the team would be even better balanced than last year. Their free-shot average was terrific as was their floor shooting average.

No team could compare with them in their practice schedule or league schedule but in an unscheduled practice game, Tilden ended their undefeated string at 15 wins and no defeats. The score was 41-38.

When Hyde Park traveled to Benton Harbor, our Frosh-Soph dealt their Frosh-Soph the second end of a double defeat, 66-47.

In the league tilt Vocational was the only team to give us a decent game as we beat them in overtime, 51-45.

As we entered the City Playoffs our record stood 20 wins and 1 loss.

We rolled over Phillips in the first playoff game and avenged our defeat to Tilden, 55-50. The third playoff win was won by a tip-in by Bob Smith in the last 5 seconds of the Dunbar game. The final score was 35-34.

We were confident of a 2nd straight City Championship going into the Crane Tech championship game. Crane blew our confidence into our face as we lost a very good battle, 58-49. Our season record was 24 wins and only 2 losses.

TRACK TEAM

Hyde Park's track men opened the 1955 indoor season on February 3 with a double defeat at the hands of the Mighty Men of Dunbar: 55-22, by the seniors, and 38-30 by the juniors. The seniors then proceeded to throttle DuSable, 58-23, lost to Tilden, by only four points, 43-39, and then trampled Mount Carmel 47-21. In a triangular meet, Dunbar beat us 43-37 as Tilden came in last with only 24 points. In the quadrangular meet between Crane Tech, University High and Marshall, H. P. took second with 45½ points behind Crane's 57½ points. University High trailed with 24 to Marshall's 15.

The Juniors showed promise for next year as they beat Tilden, 36-32, DuSable, 48-20, and Mt. Carmel, 42½-25½ after their defeat to Dunbar. In the triangular meet our juniors trailed Dunbar 34 1/3-26 2/3, to Tilden's 22 2/3. In the quadrangular meet, H.P. trailed Crane Tech 55-36 to University High's 15, and Marshall's 9.

The Senior team consisted of Richard Lee and Ken Bobrow, sprinters, John Keyes and Norman Parish in the 440, Prince Phelps and Chuck Leonard in the half mile, Eric Williams in the high jump, Harold Shade in the broad jump, Morrie Much on the shot put, and an 880 relay team of Richard Lee, Kenny Bobrow, Walter Tinner, and John Keyes.

The Junior team included Albert Heard, Michael Grousd, Carl Williams, and Maurice Ford in the 880 relay, George Napier, Heard, and Johnson as sprinters, and Ford and Grousd in the 440. Sid Leibovich showed promise in the shot put.

INTRAMURAL BASKETBALL

Top Row: Fine, S.; Sanderman, M.; Lee, R.; Parish, L.; Keyes J.
Bottom Row: Shade, H.; Herzberg, B.; Leonard, E.

For the first time in several years a senior division won the school intramural basketball championship. Led by able Ed Leonard and the classy shooting of Louie Parrish, Miss Paine's division beat the senior runners-up, Miss Brennwasser's division and the Junior champs of Nick-in's division to take the champ-ionship. Kornhauser's division, last year's school champs, were beaten by Brennwasser's fast moving team.

SWIM TEAM

The swim team of Hyde Park has had a very good year, having played Parker, Morgan Park, C.V.S., South Shore, Fenger, Hirsch, and Calumet. The season has not been too successful as far as winning goes, but the 40 yard free style, both Junior and Senior, have been developed well by Sandy Richman and Bill Faller. The 100 yard free style, back stroke and diving have also been improved greatly. Such men as Tony Brown, Pat Mayers, Edward Bleicher, and others have gone to the city championships and have been very successful. Letter men were Sandy Richman, Bill Hauser, Barry Greenberg, and Edward Bleicher.

The team feels that it has been fortunate to have such a splendid coach as Coach Long who came to us at the end of last season and who has accomplished so much in a short time.

BASEBALL

Hyde Park lost its first four league games before starter George Perparos got hold of Parker and beat them 8-7 with relief help from Marv Herman. Hyde Park had lost some tough games up to that point. In the opener we lost to South Shore 10-9. One of the highlights of that game was a bases loaded triple in the last inning by first baseman Bob Smith, but it wasn't enough to pull the game out of the fire. We lost to Fenger 13-1 and lost two more heartbreakers, 8-7 to Morgan Park and 4-3 to Bowen. During some of the practice games we lost to Dunbar 10-5, Phillips 14-9 and beat Englewood 19-11 and Phillips in a return match, 10-3.

The Tribe's biggest trouble this year was the pitching, but as we go to press, the team and its pitching have so improved that we could be a threat to the section.

With a whole veteran infield of Zeke Thompson at third, Hal Shade at shortstop, Ed Leonard at second, and Chuck Frencha catching, with a very promising sophomore, Bob Smith at first base, the team is basically all set for a real competitive season.

Marv Herman, the workhorse of the pitching staff, is solidly backed by the promising pitching of juniors, George Perparos, Kaz Ideno, Larry Levin, Bob Saporin, and Kenny Wohl.

Seniors, Jim Futterman, Price Phelps, Mike Phillips, Ben Manaster, Morrie Much, "Sugar Water" Silverstein, and Jim Storey are all able to play outfield and various positions in the infield.

MAINTENANCE

The lights have blown out in 315! There's a drippy faucet in 312! It's too hot in Room 210! too cold in 140! Amid these and other numerous complaints that compose their working day, the brave maintenance crew of Hyde Park High keeps the school in top operating order. Hyde Park's reputation as a clean and attractive school reflects their efforts.

LUNCHROOM MAINTENANCE

Why are Hyde Parkers so scholastically superior year after year? Students that never excelled in grammar school become wizards upon entering Hyde Park. Science has come to the conclusion that it must be from the nourishing cuisine served by the expert chefs of the Hyde Park lunchroom. This crew labors hard and long to provide H.P. students with an inexpensive appetizing well-balanced meal everyday.
